

# Praying Scripture for Kids

1. Pick a verse.  
Start with prayer  
and ask God to  
"Open my eyes to  
see wonderful  
things in your  
Word." (psalms  
119:18)

2. Read the verse  
you picked out loud.  
Then personalize  
the verse by adding  
your name to the  
verse.

3. Write the verse out in your  
journal. Write the answer to the  
following question in a prayer --  
How will I live differently today if I  
lived out this truth?
