

He created the Heavens and the earth. After Adam and Eve sinned God went looking for them and clothed them. He opened a path through the sea for His people and then closed it on the enemy. Nothing is too hard for Him. He opened up the womb of a 90 year old woman. A virgin conceived a child but not just any child -- Emmanuel. God with us. God created life from dust. He gives life to the dead. He used a boy's lunch to feed 1000s. He is God almighty. He turned dust into life. He created the heavens and the earth. He gave up His life for us. He came full of grace and truth. He gave us the right to become children of God. In Him is life and that life is the light of all mankind. He sings over us. He delights in us. There is no condemnation for those in Christ Jesus. He is conqueror. Victorious. Our redeemer. Our shield in times of trouble. Merciful. Sovereign. All knowing. Our good Father.
