

# PRAYING FOR YOUR CHILD

## From Head to Toe

### THEIR MIND

Lord, I pray that you would help \_\_\_ catch every thought and make it obedient to you.

### THEIR EARS

Heavenly Father, There are so many voices out there that want to influence our children but \_\_\_ tune those out so \_\_\_ can hear your voice above all of them.

### THEIR HANDS

Lord, May they use their hands to work hard and may they be willing to serve those in need.

### THEIR HEART

Teach \_\_\_ to hide your word in \_\_ heart.

### THEIR EYES

I ask that you'd give \_\_ eyes to see the wonders and goodness of who you are in and around him. Help \_\_\_ really see people for who they are and respect them.

### THEIR MOUTH

Lord may \_\_\_ words be pleasing to you; filled with truth, gratitude and kindness so that others may see You through \_\_\_\_.

### THEIR FEET

May \_\_\_ walk with the wise and not the foolish. Give \_\_\_ the courage to stand fast and to remove those stumbling blocks from \_\_\_ path.
